

TECHNICAL DATA SHEET

BUG OFF Windshield Washer Fluid

PURPLE TUFF

Purple Tuff BUG OFF is specifically formulated as a Premium summer windshield washer to keep windshields clear from road grime and splattered insects. Our formula contains special detergents that break down the protein in insect bodies making them water soluble and easy to wipe off the windshield.

Bug Off has a greater cleaning action than comparable windshield washer and is excellent for cleaning away road dust, oil and grime. Our formula does not contain any harsh chemicals and is completely harmless to wiper blades, body paint and trim.

Bug Off is colored Purple to ensure that it is not confused with other Windshield Washers in the market. Tested in Florida during the height of mosquito and fly season, Bug Off performed extremely well.

Formulated with advanced technology for a streak-free cleaning power. The washer fluid applies water beading technology to your windshield for greater driving visibility.

- ❖ Applies water beading additive to the windshield
- ❖ Instantly removes bugs & road grime
- ❖ Repels rain, mud and soil for greater visibility

BUG OFF is another fine addition to our PURPLE TUFF® line of automotive products

PACKAGING:

Name	BUG OFF 1 Gal
UPC #	7 36324 00358 7
Case Pack	6 / 1 Gal
Case Weight	52 lbs (23.63 kgs)
Pallet pack	45 cs 2,390 lbs (1,086 kgs)
Truck load	20 pallets 900cs 6/1 gal
